The Weekender

Built for weekends, with the power to stay out longer.

A camper van for two on the Ford Transit 148, with a permanent bed, a full galley and about 5 kWh of lithium power as standard. Medium Roof or High Roof, same price.

From
$49,988
plus the van
About four weeks to build
Medium or High Roof, one price

Shown with select options.

Seats 2, sleeps 2
East-west bed, or a north-south queen at no extra cost

Transit 148"
Medium or High Roof, the same price for both

~5 kWh LFP lithium
Shore power and 200 W solar as standard

About four weeks
From the start of your build to handover

69"

Medium Roof
Interior height after conversion. A lower van that's a little easier to drive, and under low branches on wooded trails.

77"

High Roof
Interior height after conversion. Standing room inside for most adults.

Standard on every Weekender

Living and sleeping

- Walls and ceiling fully insulated with Havelock wool
- Permanent rear east-west bed, about 72" × 54". Memory-foam mattress, 4" recommended for Medium Roof, 6" for High Roof
- Illuminated under-bed garage storage. Bed deck 36" high on both roofs
- Upholstered sliding-door bench with integrated toilet storage
- Passenger seat swivel and removable Lagun table
- Dimmable LED ceiling lights and under-cabinet galley task lighting
- 120 V AC and USB charging outlets

Galley

- Compressor refrigerator, 100–130 L depending on final spec
- Stainless steel sink with electric water pump
- Neo-white Hanex solid-surface countertop
- Portable induction cooktop
- Baltic birch galley drawers and overhead cabinets

Heat and air

- Webasto fuel-fired cabin heater, drawing from the vehicle's fuel tank
- MaxxAir Deluxe 10-speed roof fan with remote
- Full thermal insulation package and sliding-door window

Power

- LFP lithium battery, about 5 kWh, with 3,000 W continuous AC output
- Alternator charging, 200 W roof solar and shore power
- App power monitoring (Bluetooth/Wi-Fi)

Water

- 7-gallon fresh and 7-gallon gray tanks
- On-demand electric pump
- Ambient-temperature system, easy to winterize

Finishes

- Lonseal marine vinyl
- Pillars and trim in Black or Charcoal automotive fabric
- Inset wall panels in Formica-faced Baltic birch
- Baltic birch cabinet boxes with five Formica door and drawer colors

How payment works

A $5,000 deposit puts your Weekender on our build schedule.

eCheck/ACH, cash, check, or credit card (2.9% fee). Financing for the van and conversion together through our network of Ford dealer partners.

Financing subject to credit approval, vehicle and upfit eligibility, and lender terms and conditions. Not all applicants will qualify.

Warranty

3 years / 36,000 miles, whichever comes first.

Your van

Bring your own Transit 148, new or used, or we'll source a new one. Used vans get a pre-build inspection before we confirm your build slot.

Ready when you are.

Tell us about your van and timing, and we'll send current pricing and the next available build slot within one business day.

contravans.com/pricing-availability ·720-515-1088

Prices are for the conversion only and exclude the van. Sales tax on parts and materials is added to your quote. Prices current as of November 2026.

Layout and storage

North-south queen bed (66" × 80")	Sleep lengthways. The galley cabinet shortens to 48" and the sliding-door bench to 24" wide.	**Included**
Upper cabinet extension into bedroom	More overhead storage above the bed. Recommended with the east-west bed.	**+$2,395**
Garage pull-out gear drawer	Slide-out drawer with L-track and bike fork mounts. Fits two mountain bikes under the bed (33" clearance, front wheels off; quick-release or a dropper post may be needed).	**+$1,695**

Power and climate

Large Capacity Electrical System (~10 kWh)	Twice the standard battery capacity, with upgraded components. Needed to run the air conditioner off-grid.	**+$5,195**
Rooftop air conditioner	Runs from shore power, or off-grid with the ~10 kWh system.	**+$4,795**

Water

20+ gallon water system	Larger fresh-water tank plus a rear wash-down.	**+$1,795**
Rear-door propane hot shower	Hot shower at the back doors. Needs the 20+ gallon water system.	**+$695**
Electric water heater	Hot water inside the van, running on shore power or the van's battery.	**+$1,995**

Comfort and connectivity

Bedroom bunk window	Opening window with screen. Price is per side; up to two.	**+$895**
Compact microwave	Built into the cabinets.	**+$850**
Starlink Mini	Roof-mounted and powered by the Weekender's battery. Starlink subscription required.	**+$1,095**
Scheel-Mann heated seats	Both cab seats upgraded to Scheel-Mann heated fabric seats.	**+$9,095**
Slider and rear door bug screens	Screens for the sliding door and the rear doors.	**+$1,695**

Finishes

Lonseal marine vinyl flooring	Heavy-duty, waterproof, quick to clean.	**Included**
2Tec2 woven flooring	Premium flooring in a range of colors and patterns.	**+$1,595**
Wall panels	Formica-faced Baltic birch, in a choice of colors.	**Included**
Cabinet doors	Five Formica colors.	**Included**
